AMC Now Allows Farmers To Bundle Coverage

American Management Corporation now allows farmers to insure all of their farm operations with one policy. This new partnership with St. Paul Traveler's, one of the largest writers of commercial and personal insurance in the United States, allows agents to offer farmers coverage for agriculture business needs including property, farm liability, equipment, auto, and more.

"It's a comprehensive policy that should meet the needs of most farm-related accounts," said Mike Alderson, Vice President. "And of course, they'll save money by bundling everything in one policy."

The new ag business product is available to AMC-contracted agents in the following 14 states: Arkansas, Colorado, Iowa, Kansas, Louisiana, Minnesota, Missouri, Montana, Nebraska, New Mexico, North Dakota, Oklahoma, South Dakota, and Wyoming.

For more information on underwriting, agents can call AMC (800) 233-2398 or log on to www.amcinsurance.com.
