

Thinking. Ahead.

SERVICE STATION PROGRAM

American Management Corporation is an aggressive and growing national Managing General Agency that has been insuring the garage risks for over 25 years. AMC is known for its integrity, knowledge and expertise throughout the industry, and for its continued development of innovative and unique insurance products. Unmatched service to agents, policyholders and insuring partners has been the key to AMC's success.

AMC recognizes the importance of a financially strong insurance company. This is why AMC partners with AM Best A-rated companies.
